SVP Springfield Furniture

What we do

Provide Furniture to those without

We help to provide furniture to those without, often moving into a new property with very little. Beneficiaries have often fled Domestic abuse, Family Breakdown, are moving out of furnished accommodation or were homeless. Referrals are received from Social Services, Chelmsford Foodbank, Housing Associations, Peabody, Social Prescribers, Essex Child & Family Wellbeing, Schools, etc.

Supplying furniture is just a small part of what we do with ongoing befriending services for individuals and families, social occasions, experiences and activities.

Volunteer run

Our project is run by Volunteers. They do everything from answering the phone, testing the electricals to driving our van.

Deliveries and Collections

Up to **50** deliveries per month, anything from a washing machine to furnishing a whole house.

We carry out a similar number of collections from individuals and house clearances.

Donation based

Our project is reliant upon donations of furniture, appliances and household items. The majority of our items are second hand, all checked and electrical safety tested where needed. We provide some items such as Cookers and Carpets brand new, funded by Acts435 Christian Crowdfunding website. Unfortunately many people are living in Furniture Poverty. We estimate over 12,000 people in Chelmsford live without at least one Essential appliance.
